

GTH is now powered by  
 Acumatica ERP

**GTH is going online with a new ERP system  
 as of October 1, 2020.**

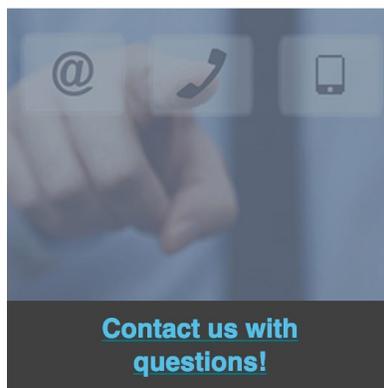

**\*\*Please distribute this announcement to all appropriate personnel within your organization!\*\***

We are very excited to announce GTH will be implementing Acumatica's Construction, Manufacturing, & Distribution ERP on October 1, 2020. This new Enterprise Resource Planning (ERP) system will transform all facets of our operations, allowing us to maximize efficiencies while improving the experience for our customers and vendors. **Please note: Our offices will be closing at 4:00pm on September 30th to prepare for the system migration.**

While we are working diligently to ensure a smooth transition with a seamless experience for our customers and vendors, please understand that this is a major undertaking and there may be some interruptions while we adapt to the new processes. We apologize in advance for any disruptions that may occur and we will make every effort to minimize these issues.

One change that customers and vendors will notice is new formatting of documents such as invoices, purchase orders, and order quotations. A sample document is shown below for your reference.

CUSTOMER P.O. NO.		PAYMENT TERMS	CONTACT
100	100	NET 30	SALES
<small>Please refer to your contract for details of the applicable terms and conditions of sale. All prices are subject to change without notice. All prices are in US dollars unless otherwise specified. All prices are subject to change without notice. All prices are in US dollars unless otherwise specified.</small>
